

Channel-IT

Give yourself the space you have always wanted. Whether its for a commercial building, extending your restaurant or bar area or enhancing your residential patio area, Channel It is a stylish and robust system that is easily operational and requires low maintenance.

Why Channel-IT:

- Easy operation and low maintenance
- Optional motorisation
- Improve the value and presentation of your home
- Gives you the space you've always wanted
- Removable post options for panoramic views
- Enclose your patio, verandah or carport
- Add a new dimension to your blinds
- Consider your carbon footprint and help reduce your air conditioning costs
